

REPORT OF THE AUDITOR-GENERAL TO THE KWAZULU-NATAL PROVINCIAL LEGISLATURE AND THE COUNCIL ON THE FINANCIAL STATEMENTS AND PERFORMANCE INFORMATION OF THE SISONKE DISTRICT MUNICIPALITY FOR THE YEAR ENDED 30 JUNE 2009

REPORT ON THE FINANCIAL STATEMENTS

Introduction

1. I have audited the accompanying financial statements of the Sisonke District Municipality which comprise the statement of financial position as at 30 June 2009, the statement of financial performance, the statement of changes in net assets and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes, as set out on pages XX to XX.

The accounting officer's responsibility for the financial statements

2. The accounting officer is responsible for the preparation and fair presentation of these financial statements in accordance with the Standards of Generally Recognised Accounting Practice (Standards of GRAP) and in the manner required by the Local Government: Municipal Finance Management Act, 2003 (Act No. 56 of 2003) (MFMA) and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error

The Auditor-General's responsibility

3. As required by section 188 of the Constitution of the Republic of South Africa, 1996, read with section 4 of the Public Audit Act, 2004 (Act No. 25 of 2004) (PAA) and section 126(3) of the MFMA, my responsibility is to express an opinion on these financial statements based on my audit.
4. I conducted my audit in accordance with the International Standards on Auditing read with *General Notice 616 of 2008*, issued in *Government Gazette No. 31057 of 15 May 2008*. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
5. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

6. Paragraph 11 et seq. of the Standard of Generally Recognised Accounting Practice, GRAP 1, *Presentation of Financial Statements* requires that financial reporting by entities shall provide information on whether resources were obtained and used in accordance with the legally adopted budget. As the budget reporting standard is not effective for this financial year, I have determined that my audit of any disclosures made by the Sisonke District Municipality in this respect will be limited to reporting on non-compliance with this disclosure requirement. Consequently, a decision has been taken that the AGSA will not audit the budget information presented in the financial statements in terms of GRAP 1 and the audit opinion will, therefore, not cover such information.
7. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

8. In my opinion the financial statements present fairly, in all material respects, the financial position of Sisonke District Municipality as at 30 June 2009 and its financial performance and cash flows for the year then ended, in accordance with the Standards of GRAP and in the manner required by the MFMA.

Emphasis of matters

Without qualifying my opinion, I draw attention to the following matters:

Restatement of corresponding figures

9. As disclosed in note 30 to the annual financial statements, the corresponding figures for 30 June 2008 have been restated as a result of a prior period error discovered during 30 June 2009 in the financial statements of the Sisonke District Municipality at, and for the year ended, 30 June 2008.

Material losses

10. As disclosed in note 31 to the financial statements, water losses amounting to R1,4 million was incurred by the municipality during the year.

OTHER MATTERS

Without qualifying my opinion, I draw attention to the following matters that relate to my responsibilities in the audit of the financial statements:

Unaudited supplementary schedules

11. The Sisonke District Municipality provided supplementary information in the financial statements on whether resources were obtained and used in accordance with the legally adopted budget, in accordance with GRAP 1, *Presentation of Financial Statements*. The supplementary budget information set out on pages xx to xx does

not form part of the financial statements and is presented as additional information. Accordingly I do not express an opinion thereon.

12. The supplementary information set out on pages XX to XX does not form part of the financial statements and is presented as additional information. I have not audited these schedules accordingly; I do not express an opinion on them.

Non-compliance with applicable legislation

Municipal Finance Management Act

13. The municipality did not table the annual report to the council within seven months after the end of the financial year as required by section 127(2) of the MFMA. In addition, the mayor did not table to the council a written explanation setting out the reasons for such failure as required by section 127(3) of the MFMA.

Governance framework

14. The governance principles that impact the auditor's opinion on the financial statements are related to the responsibilities and practices exercised by the accounting officer and executive management and are reflected in the key governance responsibilities addressed below:

Key governance responsibilities

15. The MFMA tasks the accounting officer with a number of responsibilities concerning financial and risk management and internal control. Fundamental to achieving this is the implementation of key governance responsibilities, which I have assessed as follows:
